LOLYA

LOLYA (Live Out Loud Youth Alliance) is a youth ministry networking non profit organization. We use a mission base in Rosarito, Mexico for Tijuana mission. We will have two teams for two weeks and we will be doing three tasks: 1. VBS, 2. Education Building construction project (top right pic), and 3. Youth Rally. Our vision is to help building many education facilities for children so that they may come to church and through the youth rally, we begin the leadership training for them.

_____ will participate in this great commission of God this summer. Please support and partake with us though financial and prayer help. _____ needs \$250 (Vbs materials, lodging, food, t-shirts for kis, etc.) On top of that, for the reality of unwelcomed children due to lack of education facility in Tijuana churches, we are constructing an education facility at Elim Church. Elim church has raised \$2500 that is the half of the total cost. We like to support them with the rest of the cost, \$2500. Please support and partake in this mission although you may not be with us physically. Serve with us! It is not one time VBS and a youth rally. For many, it will be a life changing moment. In advance, we give all glory to God for trusting in His good and mighty work planned for us to do. Make a check payable to the order "LOLYA"! Thank you!
